Student athletes strive both on and off the field to represent their school with pride, dignity and solidarity.

STUDENT ATHLETE POLICY

APPROVED BY THE BOARD AND PUBLISHED IN THE RIVERVIEW FAMILY HANDBOOK ANNUALLY

Student Athletics

Under SC state law, charter school students may participate in athletic programs at their zoned public school if the selected sport is not offered at the charter school they are attending. Students seeking to take advantage of this opportunity must complete a waiver (provided by BCSD) which also requires the signature of the charter school Director. Waiver forms can be left in the Front Office for Ms. Thomas' for review and signature, and picked up the following day. Please allow at least 24 hours for waiver forms to be reviewed and completed.

General:

All athletes must meet all eligibility requirements;

All athletes must have permission to participate by parent or guardian;

All athletes must have a current medical examination by a physician on file at the school. An exam is considered current for a period of one year from the date of the exam;

All athletes must abide by the training and participation rules established by the coach(es);

As a representative of your team, school and community, the athlete's appearance will be neat at all times. (I think this is hard to enforce...I mean what's "at all times"?!)

Eligibility:

All students currently enrolled in 6th, 7th and 8th grade are eligible to participate in Riverview athletics, in so far as they meet all of the eligibility requirements listed below.

Academic Eligibility:

Fall Athletics:

In order to try-out for a Fall sports team, 7th and 8th graders must have an 80 cumulative average or better between their four (4) core content classes and cannot have a 70 or below in any class for the third trimester of the previous year. 6th grade students are not required to meet this criteria for Fall sports since they do not receive grades during their 5th grade year.

Winter and Spring Athletics:

In order to try out for a Winter and/or Spring sports team, all students must submit a completed Progress Report to the Athletic Director prior to the first day of try-outs. In order to try-out, a student's progress report must reflect an 80 cumulative average or better between their four (4)

core content classes and cannot have a 70 or below in any class. Progress Report forms will be available from the Athletic Director.

Academic Progress Reports during the season:

The week before the first competition and every two weeks thereafter, the Athletic Director shall conduct an academic grade check of all athletes. If a student has lower than an 80 cumulative average between their four (4) core content classes or a 70 or below in any class, they will be placed on Academic Probation. (See Academic Probation below.)

Academic probation:

Student athletes will be on probation until such time as the next grade check (conducted every two weeks during the season) establishes that they have an 80 cumulative average or better between their four (4) core content classes and that all of their grades are a 70 or better.

Students on academic probation may practice with their team but may not participate in any competitions.

Student Discipline:

It is the philosophy of Riverview Charter School that all athletes are students first. If students cannot adhere to the school's discipline code in the academic environment, he/she cannot participate in school athletics without consequences. Referrals to the administrative Leadership Team that results in disciplinary consequences will, at a minimum, be considered by Coaches as a part of try-outs and/or make a student athlete ineligible to participate in the next scheduled competition. Depending on the circumstance, additional consequences may include, but are not limited to: not being selected to participate on a team, suspension or dismissal from a team, loss of sports award or recognition as a team member, forfeiture of a leadership role on the team or other penalties at the discretion of the school Director upon recommendation by the Athletic Director.

Athletes who are suspended in or out of school more than once during an athletic season will be immediately dismissed from the team.

Try-Outs

Each sports team will be given 3 days for try-outs, and students must participate all 3 days except with prior permission from the Athletic Director due to significant and extenuating circumstances. Coaches will select team members based on skill, attitude and leadership, and a Coach's decision is final. It is at the Coach's discretion as how many student athletes make up a given team and whether cuts need to be made. Teams will be selected through private and individual conversations with the Coach at the end of the last day of try-outs. Selection to a team in a prior year does not guarantee placement on the team in subsequent years.

If there is a conflict with students playing another sport for Riverview, try-outs will be held once that season has ended. This ensures all student athletes try-out at the same time and are given an equal opportunity to make the team.

Dressing Up On Game Days

Student athletes may dress up on game days. Student athletes should wear their "Sunday Best", ensuring that their attire meets with the school's dress code and represents Riverview at all times. If a student violates the game day attire guidelines, this privilege will be revoked.

Code of Conduct:

Students participating in a team sport are representing the School, their families, and the community. Participation in school athletics is a privilege, not an entitlement, and players who violate school rules,

which are in effect during the time the athlete is participating in practice, play or travel, he/she will face disciplinary action.

Additionally, if a student-athlete is ejected from a game/meet, they must meet with the Coach and Athletic Director the next day.

Consequences for violating school rules and/or being ejected from a game/meet will, at a minimum, be suspension from the next scheduled game/meet. Depending on the circumstance, additional consequences may include, but are not limited to: suspension or dismissal from the team, loss of sports award or recognition as a team member, forfeiture of a leadership role on the team or other penalties at the discretion of the school Director upon recommendation by the Athletic Director.

Athletic Code of Ethics:

- *Officials, coaches, opponents and teammates will be treated with respect at all times, on and off the field;*

ROLES, RESPONSIBILITIES AND EXPECTATIONS FOR RIVERVIEW COACHES

COACHES: ROLE MODELS FOR OUR STUDENT-ATHLETES

Riverview Coaches must conduct themselves in a positive manner, being mindful of their example and impeccable with their words. Coaches are role models for our students and should model the school's seven Core Values of: perseverance, integrity, stewardship, cooperation, gratitude, mindfulness, empathy and integrity, and demand that student-athletes adhere to these core values at all times, both on and off the field.

SUPERVISION OF STUDENT-ATHLETES

Properly supervising athletes is essential to the success of a team or program, allowing coaches to better understand the individual needs and capabilities of their athletes. A Coach must be the first person on the practice field, and the last person to leave. Student-athletes should never be left unattended or unsupervised, including locker/changing-rooms, equipment rooms, buses, etc. Proper supervision before, during and after an event is imperative for the overall safety of all student-athletes.

PARENT/COACH RELATIONSHIP

Parents and coaches are both important role models for students. By understanding and respecting each other, parents and coaches can greatly enhance a child's life. As a Coach, it is critical that you be clear with both students and their parents as to your expectations surrounding their participation on a team. Coaches should always be prepared to support their assertions with specific examples, stay positive with the parent, and ask for support from the Athletic Director if needed in undesirable situations.

GUIDELINES FOR RECRUITING ASSISTANT COACHES

Assistant Coaches are mandatory for all teams. The Coach and Athletic Director will identify and interview all prospective Assistant Coaches. All prospective Assistant Coaches must successfully complete a background check prior to the position being offered and commencing work with RCS.

STUDENT DISCIPLINE

When necessary, Coaches must discipline student-athletes with dignity. Harassing, swearing, sarcasm, belittling, corporal punishment, or any other form of unkind or unsportsmanlike behavior towards student-athletes, their parents, school staff and/or members of other teams is strictly prohibited. Coaches who fail to adhere to these expectations as set forth by the school Director and Athletic Director of Riverview Charter School, are subject to immediate termination and, depending on the circumstance, may be reported to law enforcement.

NON-FRATERNIZATION

Coaches are strictly prohibited from engaging in personal relationships with students that are outside the scope of a professional adult/student relationship or, which may give the appearance of being outside the scope of a professional adult/student relationship. This prohibition applies both on and off School grounds. Coaches who violate this policy may be subject to disciplinary action, up to and including immediate termination, and may also be subject to reporting to law enforcement authorities if the conduct is believed to constitute a crime under South Carolina law. In addition, the parents of the student involved will be notified of the student's involvement and the actions taken by the School.

CONFIDENTIALITY OF STUDENT INFORMATION

Coaches are required to maintain a high degree of confidentiality regarding the privacy of students, families, and school staff members. This confidentiality includes, but is not limited to: issues of health, finances, counseling, child custody, learning disabilities, grades, reports, assessments, and other school-related matters. Coaches may not discuss or disclose confidential information to outsiders, either during employment or after termination of employment. Coaches that compromise any information regarding the school or its students may be subject to discipline up to and including termination.

REPORTING SUSPECTED CHILD ABUSE

South Carolina law requires educators, including coaches, to report suspected cases of child abuse. A report must be made when the reporter suspects or has reasons to suspect that a child has been abused or neglected. It is recommended but not required that coaches also notify the Athletic Director and/or School Director when abuse is suspected.

DRUGS, ALCOHOL AND TOBACCO

RCS IS a drug, tobacco and alcohol free campus. It is unlawful and against School policy to manufacture, distribute, dispense, possess or use a controlled substance as defined by state law. Any violation of this policy shall subject the Coach to disciplinary action up to and including termination.

WEAPONS

RCS prohibits all persons, other than law enforcement personnel, who enter onto RCS property from carrying a handgun, firearm or prohibitive weapon of any kind on RCS property regardless of whether the person is licensed to carry the weapon or not. Coaches are also prohibited from carrying weapons while in the course and scope of fulfilling their job at RCS. This policy includes weapons at any RCS sponsored event. Coaches who violate this policy will be subject to disciplinary action up to and including termination. Coaches may also be subject to criminal prosecution.

INCLEMENT WEATHER

The National Weather Service has stated that lightning can strike up to a distance of 10 miles, with storms traveling in excess of 50 miles per hour. However, thunder can be heard only within a distance of 8 miles. Therefore, if you can hear thunder, you are in immediate danger and shall proceed as follows:

1. If thunder and/or lightning can be heard or seen, STOP activity and immediately and seek shelter. This policy will only fail in the rarest of circumstances when thunderstorms form overhead and the first strike occurs then.
2. In the event that either situation should occur, allow 30 MINUTES to pass after the last sound of thunder and/or lightning strike prior to resuming outdoor play.
3. During a game if you see lightening and/or hear thunder, go the the official and explain that per school policy, we must clear the field. Any Coach that does not strictly adhere to this lightning policy is in danger of being dismissed from RCS.

Additionally, Riverview follows BCSD with regard to school closures for inclement weather. For the safety of our students and their families, practices and games may not be held on days when school was closed for inclement weather.
